Young People Guernsey is a Guernsey Registered Charity, number CH370

WHAT IS YPG?

Young People Guernsey (YPG) is a new charity. We aim to identify and respond to the needs of young people in the Bailiwick. Our first project is to establish an information, advice and support centre (“one stop shop”) in St. Peter Port in partnership with Barnardo’s – the UK’s largest children’s charity.

The centre will provide a much needed safe place for the island’s 11-16 years olds to access free, independent and confidential support and information. It will be a place where young teenagers can share their fears and anxieties, and receive advice and guidance from professionals.

Barnardo’s will train and manage locally employed professionals – allowing young people access to the national expertise and experience that Barnardo’s offers delivered through a local charity.

All funds raised on the island will be used on the island.

For more information about YPG please contact Jane St Pier on 07911 733183 or lqfarm@cwgsy.net

HOW CAN YOU HELP US?

To make this happen we need your help.

The annual costs of running the centre are £150,000 so this is a huge challenge. But what a worthwhile cause – helping young teenagers to change their futures.

You can support YPG by becoming a Friend of YPG (and making a regular monthly or annual donation) or through a one-off donation.

With your support our plan will become a reality and you will be helping to provide a healthier, happier and positive future all of the young people in Guernsey.

To become a Friend or make a one-off donation please complete the following form and return it to:
